A New Chapter in An Old Story DRIDE of place this morning to the eminently practical matters of Hosiery and Underwear. Let the gayer stocks find their places in

Our method of buying and importing hosiery and underwear is an A ready reference handbook of facts old story to you. We have told you so many times of the way in which and figures, historical, geographical, we buy from the mills themselves, and import straight from mill to commercial and political, concerning counter, that you would probably be weary of hearing it if it didn't point a fresh economy at every repetition. We claim no monopoly of the method. It is followed by many large stores. We differ only in doing

We are the largest retailers of this class of goods in this country, and believe that we are the largest in the world. Not a boast, -an argument. Being such, we can buy largest, hence best, hence cheapest.

Seventy-five per cent of all our hosiery and underwear is made expressly for us. They are "Wanamaker" goods. Our qualities may be, and are, equalled in many competing lines. But the cheapness of LET IT SUFFICE TO STATE THAT our prices on them cannot be, and are not, duplicated.
